

ASCOT

INTERNATIONAL SCHOOL

2-9-2008

POLITICAL SITUATION

Dear Parents,

Ascot International School will open as normal tomorrow, Wednesday the 3rd of September. The political situation obviously remains volatile and we will need to monitor the news and receive information from the Ministry of Education on a regular basis. Please be ready for changes, if at any point we feel it is unsafe to operate the school you will be informed by SMS.

However, we are lucky that our school is well away from the troubled areas of down town Bangkok and I feel that at present our suburban location shelters us from most of these troubled times.

Please be aware that if at any point the situation changes for the worst we will act promptly in the best interests of the children. Your children's safety is our number one priority.

Kindest regards,

Geoffrey Potter
MD
