

ASCOT

INTERNATIONAL SCHOOL

Early Years

The Early Years are critical in a child's development. At Ascot International School our qualified staff provides a high quality, integrated education that will provide your child with the necessary skills and opportunities to experience the best possible start to their school life.

We provide a balanced curriculum of teacher directed lessons and structured play activities that establish the solid foundations needed for development.

Early learning should be fun and at Ascot we provide a stimulating, safe and happy learning environment where all children can reach their full potential.

IMAGINATION

ART

Creativity

At Ascot the arts are much more than just extra activities for children. Participation in the arts opens up a child's mind and offers them the skills they need for a bright future. Recent research increasingly shows that overall academic performance is enhanced by involvement in art and that students develop a positive work ethic and pride in a job well done.

Art studies reveal a powerful, positive relationship between study in the arts and other academic subjects, attitudes, and behaviors.

SPORT

Ascots sporting facilities include a full sized basketball court and sports hall, swimming pool and grass playing field. The children regularly participate in football, basketball, badminton, and other outdoor sports. Plans for the future include the development of school teams to compete in local events and swimming galas. Ascot has a full time sports and swimming teacher.

Sports provide a positive learning experience that enhances your children's ability to develop self confidence good sportsmanship and teamwork skills. Sports also teach all of us the value of hard work and determination.

We guide students to be:

Aspiring

- Strive to reach full potential academically, personally, physically and creatively.
- Demonstrate self motivation and an enthusiasm towards learning.

Self aware

- Participate in physical activity and understand concepts of health.
- Engage in reflection and self assessment.

Confident

- Use English for a variety of communicative purposes.
- Demonstrate independence and work co-operatively and collaboratively with peers.

Open minded

- Engage in cultural experiences relating to themselves and others.
- Demonstrate cultural understanding, respect for diversity and compassion for others.

Technologically literate

- Communicate and conduct research using technology.
- Use ICT skills ethically, enhancing learning in other subject areas.

Mandarin is taught to all pupils twice per week, it is an essential skill.

ACADEMIC

Ascot International School

offers a **British style education** in a contemporary well resourced environment. The school is growing steadily, with about 240 students currently on roll, including our first Secondary classes. IGCSE courses are being offered from September 2008. Academic excellence is one of our key aims and we also place great emphasis on the full development of each individual into a caring, thinking, responsible citizen of the future.

There are many activities outside the classroom, with sport, music and drama all featuring regularly in addition to a host of other activities, plus school trips and residential visits.

The Ascot campus is a very attractive one set in peaceful surroundings. Classrooms are bright and well resourced with interactive whiteboards. There is specialist provision for Art, Design Technology, ICT and Science.

The National Curriculum for England

Mission Statement

" At Ascot, we are proud of our English language environment, where students develop creativity, grow personally and pursue academic excellence in a warm, caring international community "

TECHNOLOGY

VISION AND TECHNOLOGY

Prospects for the future at Ascot International School are very bright. Students receive an excellent education in a positive, supportive environment. Prospective parents are welcome to visit to see the school in action.

Most of our teaching staff are from the UK and are all fully qualified to the level stipulated by the British Government. They are well supported by a team of qualified and licensed Teachers Assistants.

Parents at Ascot actively support the school and play a significant part in the life of the community. We have an active Parents Association. Visitors are always impressed by the friendliness and confidence of students and the happy atmosphere at the school.
